1. OUR FRONT LINE: Overlay.

2. LOCATION OF TROOPS: Overlay.

3. INFORMATION OF ADJACENT UNITS AND SUPPORTING TROOPS:

a. XV Corps: Sector continued quiet. The 398th Inf was in the process of relieving the 137th Inf in the 35th Inf Div sector at the end of the period.

b. II Fr Corps: An enemy counterattack on GRUSSENHEIM (V8149) was halted by inf and arty fire. Elements of 2 DB occupied the line of the CANAL DE COLMAR E to (V845457).

c. XII TAC:

(1) General support: A total of 37 missions of 391 sorties were flown in support of First Fr Army and Seventh Army. Most of the effort was directed to the COLMAR pocket operation. Rail communications targets and road movements were attacked with excellent results.

(2) Close support: See Incls 2.

4. WEATHER AND VISIBILITY: Cloudy and cold in morning; clearing in afternoon. Visibility fair.

5. OUR OPERATIONS FOR THE PERIOD:

a. Inf:

(1) 45th Inf Div: The Div continued to send out aggressive patrols and to improve present defensive positions during the period. The 274th Inf moved to WALDHAMBACH (Q6236), reld of attachment to VI Corps and 45th Inf Div and reverted to the control of XV Corps on closing at destination. 1st Bn 179th Inf (atchkd to 36th Engr C Regt) remained in position on Div R flank blocking to the SE. 179th Inf (-1st Bn) moved to the vic of KOHLHUTTE (Q7438) and completed the relief of the 320th Inf by 2400A with the 2d Bn on the R and the 3d Bn on the L. 45th Inf Div assumed command of their new sector (overlay) at 292400A. Late in the period the 180th Inf received a local attack in vic SAEGMUHL (Q7937) that drove in the outpost. A counterattack was quickly launched and the positions were restored.

(2) 103d Inf Div: The Div sector was extremely quiet, with only patrol contact with the enemy. The 1st Bn 409th Inf reld 2d Bn 409th Inf on position, the 2d Bn then moved to an assembly area in the vic of BUESWILLER (Q8724) on completion of the relief.

(3) 101st A/B Div: Elements of the 501st Prcht Inf and 327th Glider Inf continued to patrol the Div sector with only light contact. The 2d Bn 502d Prcht Inf closed in on assembly in the ALTDORF (Q8921) - ALTECK-ENDORF (Q9021) area and the 3d Bn closed in the vic of WINVERSHEIM (Q9120). Other units no change.

G-3 REPORT #32SUMMARY AIR ACTIVITY FOR PERIOD 18 JAN - 31 JAN1. Enemy Air - (Source: 35th AAA Brig and 64th Ftr Wing):

a. There was a marked falling off of enemy air activity over the Corps front during this period due mostly to very poor flying conditions. 40 enemy planes were sighted by AA gunners with 23 of these appearing on the 23d and no engagements being reported for 10 days of the 14 day period. 5 Me 109s attacked a flight of our F/Bs and were destroyed, for the only contact made by American F/Bs during the same period.

b. The following is a daily AA report for the period 18 Jan - 31 Jan:

Date	Number of A/C	Mission of A/C	Our AA Claims
18 Jan	9	Recce and strafing	No claims
19 Jan	4	Reconnaissance	No claims
23 Jan	23	Bombing and strafing	1 Probable
29 Jan	4	Recce and strafing	No claims

No enemy action reported for 20, 21, 22, 24, 25, 26, 27, 28, 30 and 31 Jan.

2. Friendly Air - (Source: Seventh Army ASC and 64th Ftr Wing):

a. 121 missions of 1359 sorties by F/Bs of XII TAC were flown during this period. Flying in very hazardous weather conditions and forced to find targets thru openings in the clouds, pilots were still able to carry out effective support for the ground forces. Troop and tank concentrations were successfully attacked by F/Bs and the main enemy supply routes were kept under constant surveillance.

(1) Close Support: 32 missions of 260 sorties were flown in close support of VI Corps on targets handled by the Corps Fwd Controller. The following is a brief summary of close support action for the period:

16 Jan - 16 missions, 190 sorties. Targets attacked: Troop and tank concentrations, MT, barges and pontoon bridge sites. Majority of effort was directed against the enemy bridgehead area with 4 attacks on the town of HERRLISHEIM and 1 on the town of OFFENDORF, 2 attacks on Rhine River pontoon bridge sites and barges and 2 attacks on reported tank and troop concentrations. In addition the town of NEIDERRODERN was attacked. Results for the most part were unobserved due to poor visibility.

22 Jan - 5 missions of approx 60 sorties. Effort was directed against enemy bridgehead area. A reported tank concentration in wooded area N of GAMBSHEIM was thoroughly bombed and strafed.

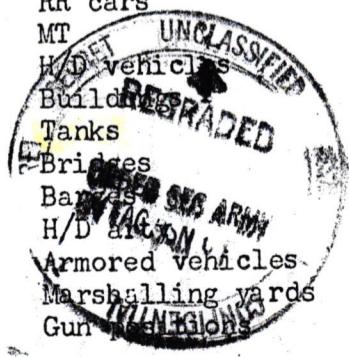

23 Jan - 3 missions, 32 sorties attacked tank concentrations and enemy road movement in the BITCHE and GAMBSHEIM areas.

26 Jan - 4 missions, 38 sorties. Towns of UHRNWILLER, MERTZWILLER and ZINSWILLER were successfully attacked.

29 Jan - 4 missions, 40 sorties. Attacked towns of BISCHWILLER, OFFENDORF and HERRLISHEIM, also a tank concentration just J of OFFENDORF.

(2) General Support: The following is a brief summary of results as observed by pilots:

	Destroyed	Damaged
Locomotives	2	37
RR cars	79	257
MT	108	113
H/D vehicles	38	144
Buildings	332	111
Tanks	21	19
